Manager Summary

> *“Mike consistently delivers strong, measurable results. The main opportunity is building more predictable process around planning.” — Denise Okoye, Marketing Manager*

Key Strengths

- Drove a 62% increase in organic blog traffic through the revamped SEO content strategy.
- Built strong working relationships with Product and Sales to keep content aligned with the roadmap and pipeline needs.
- Ran the Q1 webinar series that generated 480 qualified leads, well above the 300-lead target.

Areas for Growth

- Mike’s individual output is excellent, but content calendar planning has occasionally slipped without early warning to stakeholders.
- Could delegate more of the day-to-day editorial calendar to the associate content writer to free up strategic time.

Goals for Next Review Period

1. Own the launch content plan for the Q3 product release end-to-end.
2. Establish a 6-week-ahead content calendar review cadence with stakeholders.
3. Ramp up the associate writer to independently manage the editorial calendar by Q4.

Compensation & Advancement Notes

Mike is on track for a standard merit increase this cycle, consistent with an Exceeds Expectations rating, subject to calibration and budget approval.
