Manager Summary

> *“Anna’s work quality is consistently high. Building confidence presenting her own work to leadership is the clear next step.” — Denise Okoye, Marketing Manager*

Key Strengths

- Led positioning and messaging for the Q4 launch, which Sales cited as the clearest launch enablement package in company history.
- Strong cross-functional collaborator; consistently sought out by Product for early input on roadmap items.

- Built the first formal competitive-intelligence tracker, now used company-wide.

Areas for Growth

- Anna’s written materials are excellent but she sometimes over-polishes before sharing early drafts, slowing team feedback loops.
- Would benefit from more comfort presenting to executives; currently relies on her manager to present her own work in exec reviews.

Goals for Next Review Period

1. Present the Q1 competitive landscape update directly to the exec team.
2. Share first-draft messaging documents within 48 hours of starting, rather than waiting for a polished version.
3. Own win/loss interview program and publish quarterly insights.

Compensation & Advancement Notes

Anna is on track for a standard merit increase this cycle, consistent with an Exceeds Expectations rating, subject to calibration and budget approval.
