Category	Rating (1–5)
Quality of Work	2.9
Productivity & Delivery	2.7
Collaboration & Communication	3.0
Problem Solving & Judgment	2.8
Growth & Initiative	2.6

Manager Summary

> *“Carlos has real strengths in the room, but pipeline discipline has to improve quickly. We’re putting a 60-day structured support plan in place, not a PIP, to help close the gap.” — Marcus Webb, Sales Manager*

Key Strengths

- Strong product knowledge and demo skills; consistently receives positive prospect feedback on demo quality.
- Good teammate; actively shares competitive intel and battlecards with the broader SMB team.

Areas for Growth

- Attained only 68% of quota this half, below the 80% threshold for Meets Expectations.
- Pipeline generation is inconsistent; too reliant on inbound leads rather than proactive outbound prospecting.
- Follow-up cadence on stalled deals is slower than team standard, resulting in deals going quiet.

Goals for Next Review Period

1. Complete outbound prospecting bootcamp with the Sales Enablement team within 30 days.
2. Build and maintain a minimum of 3x pipeline coverage against quota each month.
3. Implement a structured follow-up cadence using the team’s standard sequence templates.

Compensation & Advancement Notes

Carlos is not being recommended for a merit increase this cycle. A structured 60-day support plan is being put in place, with a follow-up check-in scheduled, in partnership with the HRBP team.

Employee Acknowledgment

This review has been discussed in a 1:1 meeting between the employee and their manager. Signature below indicates the review was received and discussed, not necessarily that the employee agrees with every point; employees may attach written comments through the HR portal within 14 days.
