Manager Summary

> *“David is a top performer by any measure. The only real risk is concentration — spreading his pipeline wider protects both him and the number.” — Marcus Webb, Sales Manager*

Key Strengths

- Closed 118% of annual quota, the highest attainment on the Enterprise team for the second year running.
- Landed the Company’s largest single contract to date, a $2.1M multi-year deal with a Fortune 500 logistics firm.

- Frequently brought in by Sales Leadership to mentor new AEs on enterprise deal strategy.

Areas for Growth

- David’s pipeline is heavily concentrated in a small number of large accounts; diversifying pipeline would reduce quarter-to-quarter volatility.
- Could formalize his informal mentoring into the official new-hire buddy program.

Goals for Next Review Period

1. Build a pipeline diversification plan targeting three new verticals.
2. Formally join the AE mentorship program as a designated mentor.
3. Close at least two net-new logos in addition to expansion revenue next quarter.

Compensation & Advancement Notes

David is being considered for promotion and/or a merit increase above the standard band this cycle, subject to calibration with the broader Sales leadership team and final budget approval.
