Manager Summary

> *“Rachel has ramped up quickly for someone less than a year in. Building deeper analytical fluency is the natural next step.” — Denise Okoye, Marketing Manager*

Key Strengths

- Cleaned up and de-duplicated the Marketo database, improving email deliverability scores noticeably.
- Quick learner on the marketing automation tooling; ramped up faster than typical for the role.
- Reliable and detail-oriented on recurring reporting tasks.

Areas for Growth

- Rachel is still building fluency in campaign attribution analysis and needs support interpreting results, not just producing dashboards.
- Communication with Sales Ops on lead routing issues has occasionally been reactive rather than proactive.
- Should build more independence in troubleshooting integration issues between Marketo and Salesforce.

Goals for Next Review Period

1. Complete the advanced Marketo certification by end of quarter.
2. Shadow Sales Ops for two weeks to better understand downstream lead handling.
3. Independently resolve at least three integration tickets without escalation.

Compensation & Advancement Notes

Rachel is on track for a standard cost-of-living/merit adjustment consistent with a Meets Expectations rating, subject to calibration and budget approval.
