Manager Summary

> *“Sofia is one of the most trusted people partners in the org. The workload conversation is overdue and should be prioritized.” — Aisha Bello, Hr Manager*

Key Strengths

- Led the Engineering org through a sensitive reorganization with minimal attrition and strong internal feedback on communication quality.
- Trusted advisor to three VPs; frequently consulted before major people decisions are finalized.
- Redesigned the promotion calibration process, which managers rated as significantly fairer in

this year’s engagement survey.

Areas for Growth

- Sofia’s workload is heavy relative to peers given the number of client groups she supports; this should be rebalanced next headcount planning cycle.
- Could document more of her calibration facilitation approach so it’s more easily taught to newer HRBPs.

Goals for Next Review Period

1. Rebalance client group assignments with the HRBP team lead by next quarter.
2. Write up the calibration facilitation playbook for the HRBP onboarding library.
3. Complete advanced mediation training to support increasingly complex employee relations cases.

Compensation & Advancement Notes

Sofia is on track for a standard merit increase this cycle, consistent with an Exceeds Expectations rating, subject to calibration and budget approval.
